Report Of the Executive Board

We have met in a number of meetings during the year to attend to any, and all, administrative matters claiming our attention. We have handled the business affairs of the Conference with all the safety, security, and economy possible.

We handled, in co-operation with other agencies of the Conference, the purchasing of the Church property at Buies Creek, N.C., and directed that title to the property be vested for the present time with the trustees of the Conference. These transactions involved a great deal of time, labor, and some necessary expense. However, our investments are secure, and we are confident we can look with approbation to the future prospects for growing a strong and thriving Church at this place.

In mutual co-operation with the Raleigh Church, and the Church Finance Association, Inc., we assisted in the arranging of the re-financing of the indebtedness of the Raleigh Church. This all worked out satisfactorily.

On August 16, we met in joint session with the Executive Boards of other Conferences of the State and the Executive Board of the State Convention for the purpose of working out some general statements of policies and recommendations to be made to the National

Association of Free Will Baptist.

On August 19, we met with the Executive Board of the State Convention in joint session for the purpose of working out some general statements of policies and regulations regarding the North Carolina Treatise.

We worked in co-operation with other agencies of the Conference in the conducting of the Area Conference for our people. We were most gratified at the attendance, almost 200% above our expectations and in the interest shown by those attending. The accomplishments during the year prove the justification for these conferences.

The state of fellowship in our Conference is excellent. Our Ministers and Churches, generally speaking are very co-operative.

Respectfully submitted,
The Executive Board

Report of Mission Board of the C. F. C.

Only one official meeting of the Cape Fear Mission Board has been called since the last session of the Conference and this one convened at the Goldsboro Church in the latter part of the winter. The Rev. Albert T. Coates, Chairman, presided over the meeting and a number of things were discussed and acted upon in the interest of promotion of our Cause of Missions.

Chairman Coates pointed out the fact of his being so much bounded because of his employment with the government, expressing feeling that it would be better for the promotion of the Cause were some one else designated as Chairman. J. R. Davidson was elected Chairman, Albert T. Coates, Associate Chairman, and Milton Wiggo, Secretary.

Brother Coates agreed to take responsibility of promoting the emphases for re-activation of the \$1.00 a Month Club. Quite a bit of correspondence has gone out to our Churches in interest of this project, but we report the actual returns, would be impossible at this time. We would

rejoice were our people to align themselves until at least 100 persons were giving at least \$1.00 each month with which to spread the Gospel and Organize New Churches in the bounds of the Cape Fear Conference. There are several places at this time presenting a Challenge to us in opportunities afforded.

We agreed on full Co-operation in whatever projects might develop of interest for setting up of New Stations, and voted to assist in the development of a New Church at Buies Creek. We rejoiced that the Organization is reported.

Having received no reports of projects entered into and improvements made, we are only able to report in a general way. It has come to our attention that Shady Grove realized about \$2,000.00 in returns from a harvest sale. The Women of the Goldsboro Church promoted an improvement program of some \$700.00 value at their parsonage and furnished a guest room, while the Church added a \$1,500.00 Musical instrument to the Church Assets. It is reported that St. John and Daly's Chapel engaged in a Lord's Acre program, however harvesting of the Crops is incomplete. We regret failure to be able to make full report of all our Churches Activities which should come through our board, but we pledge a more complete Accounting in the future.

It is encouraging to be able to say that at least nineteen of our twenty-eight Churches have responded in promotional efforts as stewards of the Gospel of Christ. No doubt the nine have done something, but failed to keep books as they should. The nineteen reporting supported financially in a missionary way by giving \$816.25 to Foreign Missions, \$142.77 to National Home Missions, \$241.46 to State Missions, and \$67.86 to Cape Fear Missions. This makes a grand total of \$1,268.56.

We would love to recommend that every Church establish one designated hour of prayer weekly in which prayer is made for spiritual revival among us, for an effective program for spreading the Gospel, and that our people may begin giving themselves to the Lord and to their Churches as personal soul-winners.

By the Committee
 J. R. Davidson, Chairman
 Albert T. Coates, Associate Chm.
 Milton Wiggo, Secretary

During 1955 we plan to do extensive work in the field of our youth work, Sunday School Workers Training Program, and special emphasis on the Family Life. Our first course of instruction will be on "Personal Soul Winning". Institutes will be held at Raleigh, Smithfield, Lee's Chapel, Goldsboro, and Kinston. It is our desire to enroll 300 or more in these institutes.

Our goal for 1955 "A Daily Vacation Bible School in Every Church."

We held, during this year, three regional Conferences, covering all the Conference territory, for the specific purpose of studying the plans, methods, goals, etc., for the D.V.B.S. These Conferences were largely attended, and the results have been that we have increased efficiency of the work done in the schools held last summer.

We plan like Conferences in the early part of 1955.

In the regional Conferences we studied the making of our youth more missionary minded, and requested of each Church to take a daily offering earmarked for missions. The following Churches co-operated:

Your Board of Education offers below a suggested pledge form for Sunday School Teachers and Officers to sign. It is presented as a Courtesy service only and may be revised or altered to meet your needs. Those pastors and Superintendents who are now using such a pledge form find it most effective. They are getting results. Under this plan they allow no one to hold office or to teach in Sunday school unless they sign the pledge, nor to continue to serve unless they live up to their pledge.

Sunday School Teacher and Officer's pledge
Realizing the great responsibility that has been placed upon me as a teacher or officer and that the Church has placed its confidence in me, I humbly and prayerfully sign the articles of this Covenant and will, with God's help, be faithful and true to my office:

1. I will now re-dedicate my life to God and ask Him to use me as his servant.
2. I will prayerfully and faithfully study each Sunday school lesson. I will use the Word of God, also my experience and knowledge as a means of improving the spiritual lives of my students and lead the lost to Christ.
3. I will attend all services of my Church and encourage my pupils to do likewise.
4. I will co-operate with the pastor and Superintendent in all things. I will attend every Sunday school Council meeting. I will attend any training classes that are offered to make me a more efficient teacher or officer.
5. I will notify the Superintendent and my Assistant Teacher or officer when I am sick or on vacation.
6. I will visit my pupils as opportunity presents itself and will try to get new ones in my class.

Woman's Auxiliary Report

The Women of the Cape Fear District are happy to have a part in the Centennial Celebration of our Conference.

We have held two Conventions this year. In April with Powhatan Church and in Oct. with Goldsboro Church. These Conventions were well attended and were both inspirational and informative.

We feel that progress has been made in our work during the year and the co-operation among our women has been wonderful. Our Auxiliaries have given the following support to the work of our denomination:

Local Church work

\$1,294.60

Home Missions	\$ 280.31
Foreign Missions	280.56
Orphanage (plus Commodations for the home)	385.00
Supernumeration (plus gifts of \$130.50)	184.50
Bible College Nashville, Tenn.	69.25

The support of our Ministers is recognized and deeply appreciated. We desire their prayers along with other Christians that our Women might do a greater work for our Minister.

Report of the Board of Ordination

During the year we have attended to all routine matters claiming our attention. We have Ordained two Ministers, Namely: Rev. Fred Hershey and Edward Taylor. We ask that their Names be enrolled in the list of Ordained Ministers.

We have received an application for transfer of Conference Membership from Rev. Chester Phillips, Pastor of the First Church of Smithfield, N.C. We ask that he also be enrolled subject to the receipt of his letter from the Conference from whence he previously held Membership.

✓ [We have Cancelled the Certificate of Ordination of one Gideon Stevens, and ordered its surrender to this Board. We ask that his Name be dropped from the list of Ministers.]

The general fellowship of our Ministers is excellent.

We are indeed grateful to our Heavenly Father for sparing the lives of all our Ministers during this year.

the local Church.

Pray with us that in 1956 we may be able to carry out the above outlined program in a way that will prove to be the greatest blessing to our people. Our goal is to have every Teacher, Officer and Worker in our Church, League and Sunday school trained for the work they are doing.

Your board of education offers below a suggested pledge form for Sunday school teachers and officers to sign. This may be adapted to meet your needs. It has proven to be helpful to those who are now using such a pledge. Under this plan no one is allowed to hold office or teach in the Sunday school unless they sign the pledge.

Sunday School Teacher's And Officer's Pledge

Realizing the great responsibility that has been placed upon me as a teacher or officer, and that the Church has placed its confidence in me, I humbly and prayerfully sign the articles of this Covenant and will, with God's help, be faithful and true to my office:

1. I will now rededicate my life to God and ask Him to use me as his servant.
2. I will prayerfully and faithfully study each Sunday school lesson. I will use the Word of God, also my experience and knowledge, as a means of improving the spiritual lives of my students and lead the lost to Christ.
3. I will attend all services of my Church and encourage my Pupils to do likewise.
4. I will cooperate with the pastor and superintendent in all things. I will attend every Sunday school Council meeting. I will attend any training classes that are offered to make me a more efficient teacher or officer.
5. I will notify the superintendent and my assistant teacher or officer when I am sick or on vacation.
6. I will visit my Pupils as opportunity presents itself and will try to get these ones in my class.
7. I will cooperate with the extension superintendent in helping them get the lesson to those who are sick.
8. I will abstain from all worldly amusements and will do nothing that will be a reproach to my Christian testimony.
9. I will use only the teaching material that

has been approved, I will learn the doctrines and beliefs of my Church and will teach the same to my pupils.

10. I will teach and practice stewardship principles as taught in the Bible with respect to my money, time and talents.
11. I will resign if at any time I am unable or unwilling to cheerfully carry out the articles of this pledge.

Note: It is suggested that this pledge be signed once a year by every teacher or officer. This can effectually be done at an annual installation service.

Respectfully submitted

Report of Cape Fear Mission Board

It is with regret that we acknowledge limited activities on the part of the Mission board during the past year. However there have been several meetings held, one of which was a joint session with the board of education. Out of this special meeting came plans for co-ordinated effort for the doing of limited promotional work. This plan called for a secretary to be employed to do promotional work by means of correspondence. In this effort considerable emphasis was placed on reactivation of the of the dollar a month plan and investigations were made looking toward the opening up of some mission points, together with the employment of a conference evangelist.

After having launched into these activities, it was brought to our attention that there were considerable objections to the plans being followed on the part of a number of brethren. And your board met in special session--to give specific study to the entire setup. In this meeting we voted to discontinue with the plan for this promotional work until we could be more certain of the wisdom ~~there~~ therein and of the wishes of the conference.

During this period of this special session our expenditures amounted to \$192.82, and a special appeal came to us for an allocation for the Baldshero Church to assist in the rebuilding of its sanctuary which was lost by fire. A vote was taken and an allocation of \$500.00 was made.

The income of this Mission Board has amounted to \$559.81 for this year, and the present balance in the Conference Treasury for Missions is \$1,147.82.

We are beginning to feel we have approached the point for rethinking Missions for the Cape Fear Conference, feeling very deeply the need for taking our eyes off Conference boundaries and beginning to see a larger field as our obligation. We recognize the fact that each of our Conferences in the state are too weak to launch a fruitful program within either of them, therefore we recommend an appropriation out of our present fund to the state program of \$100.

We further recommend that each Church show consistent Missionary zeal by the presentation of study courses in Evangelism, the establishment of Mission Sunday schools and the appropriation of funds according to the financial plan of the Church to all phases of our Missionary Cause.

We estimated that the cost of promoting the work of our department for the ensuing year will be \$60. Since it is understood that our efforts will consist of Correspondence and Administrative Sessions of the board.

J. R. Davidson, Chairman
Milton Wiggs, Secretary

Supplement Report of the Mission Board

Since Brother Fred Hervey is scheduled to our Mission field in India as soon as regulations will permit, he being a member of our Conference with obligations upon him in field work to assist in financing plans for his going to India, since our National Home Mission Board is our most effective agency in spreading our cause in the home land and funds are reported as

as low far the promotion of our National Home Mission program, we wish to supplement our report of yesterday with the following recommendation:

First that we appropriate the sum of \$100. to the Fred Hersey India fund out of our Mission balance; second that we appropriate \$50. out of our Mission funds balance to our National Home Mission Board.

Approved by the Majority of the Mission Board

Report of the Board of Ordination

During the year we have attended to all routine matters claiming our attention.

We examined the following Candidates for license: Brothers Dewade Benson and Sherman Hall.

Brother W. F. Spicker turned in his Credentials at the request of the board due to his joining another denomination.

We recommend the approval of the uniform examination for Ministers as prepared and submitted to us by the Committee of the North Carolina State Convention, and that Rev. L. R. Ennis be our representative to the Permanent Committee of the North Carolina State Convention for uniform examination for Ministers.

We have received a letter of dismissal and recommendation from the Western Conference on behalf of Rev. Allen B. Bryan. Also a letter of dismissal and recommendation from the Beaver Creek Conference of South Carolina on behalf of Rev. Chester Phillips. We ask that these brethren be enrolled as regular Ordained Ministers of our Conference and given the right hand of fellowship.

The general fellowship of our Ministers is excellent, we are indeed grateful to our heavenly Father for sparing the lives of all our Ministers during the year.

Temperance Report

Whereas the Bible takes a definite stand against the use of alcoholic beverages, whereas our Church Covenant states that we shall abstain from the use and sanction of the sale of alcoholic beverages; therefore, be it resolved that we reaffirm our stand and position against the sale and use of alcoholic beverages for the use of our youth and for ourselves.

Report of Resolutions Committee

Inasmuch as we have enjoyed a most marvelous session of our Cape Fear Conference, inasmuch as the type of entertainment makes a definite contribution to the success of such assemblies, and inasmuch as the manner in which such meetings are conducted is definitely a determining factor in the blessings derived from such fellowships, be it therefore resolved:

Second - That we stand in an act of commendation for the official staff, for the splendid way in which this session has been conducted, and in expression of appreciation for each one who had any part in carrying out our program.

First - That we extend a rising vote of thanks to the Johnson's Union Church for its warm hospitality and the effective way in which the entertainment has been conducted.
